Re: **Quality of Education Survey 2016-17**

---

The Quality of Education Survey is now available on-line for your parents. The PED asks that the survey be submitted electronically, so in order to get as much participation on the survey as possible, we will be posting directions for access on the District web-site, and ask that you post the directions on your web-site and use School Messenger to inform parents of its availability. In order to access the survey, parents should follow the steps below:

1. Go to [www.ped.state.nm.us](http://www.ped.state.nm.us)
2. Click on the red box for the **A-Z Directory**
3. In the directory, under Q, click on **Quality of Education Survey**
4. In the blue box, on the upper left side, click on **Survey Pages**
5. Click on **Take a Survey**
6. Follow the directions provided for requesting a survey

Please remind parents that all responses are confidential. Surveys will be available from March 17 through April 21.

If you have any questions, please feel free to give me a call.

Thank you.
